

Career Profile Recruiting Report

For Wong Vivian (Sample1)

Test Company
 Manager: Tam Steven (M123)

Test Number: 13587
 Test Date: 2008-01-05

Career Profile Rating: 7

Across all Career Profile users in Hong Kong, approximately 17 out of 100 candidates who rate 7 are expected to be successful.

A high-producing agent is defined as one who produces at least HK\$300,000 during the first 12 months (approximately the top 15 percent of all first-year agents).

Attitudes Toward Financial Services Industry

The chart below shows how the candidate responded to questions regarding the financial services industry and your company. Later in the selection process, you may want to follow up with the candidate on any negative attitudes or misunderstandings captured here.

	Strongly Disagree	Disagree	Agree	Strongly Agree	Don't Know or No Response
The financial services industry provides a valuable service to people					
The financial services industry often preys on people's fears					
The financial services industry helps people who may not know a lot about financial issues make informed decisions					
This company has a good reputation as a financial services company					
This company treats its agents well					
This company's agents are honest and ethical

Job Characteristics

The candidate rated the following job characteristics as "Important" or "Very Important".

Important

- Prestige
- Self-esteem
- Achievement
- Friendly colleagues
- Public interaction
- Doing good for others

Very Important

- High income
- Income based on personal effort
- Recognition
- Professional growth
- Enjoyable job activities
- Confidence of success
- Known activities for success

The candidate used these same characteristics to describe the agent's job, his or her current or most recent job (if applicable), and an alternative job he or she is considering (if applicable). Please refer to the Perceived Job Outcomes chart beginning on the next page.

Perceived Job Outcomes

For each job characteristic the candidate rated as "Important" or "Very Important", this chart summarizes which position(s) is(are) more likely to offer that benefit. Use this information to evaluate how the candidate perceives the advisor's job compared with the alternatives -- what are the positive and negative perceptions of the sales agent's job that you can address with the candidate throughout the rest of the selection process?

Key:

-  Represents the candidate's perception of the agent's job
-  Represents the candidate's perception of his or her current job
-  Represents the candidate's perception of an alternative job
- *** = Very Important to candidate
