Current Research

[**Bancassurance: Stories of Success & Growth Opportunities**](#)

Read these two reports to learn key drivers of program success as well as strategic and tactical actions you can pursue to establish or grow your bancassurance program. The reports examine:

- Partnership and collaboration
- Training
- Customer-centricity
- And more

[**Webinar: Secrets of Successful Bancassurers: 5 in 15**](#)

Larry Hartshorn, director of LIMRA's international research program, shares 5 key insights gleaned from our recent bancassurance research in Asia, Europe, Africa, and Latin America.

[Wearable Technology in Life & Wellness Programs](#)

LIMRA and KIDI partnered to explore insurers' perspectives on the impact of Internet-enabled, sensor-based wearable devices. This report summarizes:

- Opportunities — including enhanced underwriting
- Challenges — including building trust and maintaining customer engagement
- Lessons learned — including end-user perceptions
- The future of wearable tech

[What's on the Minds of Executives Now?](#)

What's keeping industry executives up at night? Read this report to quickly view:

- Factors they think will have the greatest near-term impact
- Key internal factors executives can control
- Crucial external factors they cannot

[2018 Predictions](#)

Learn about the changes we expect this year, including new twists to product solutions, shifts in market focus, and consumers cautious of their digital footprints.

[Retirement in Asia](#)

We have teamed with the Society of Actuaries to identify trends determining the future of retirement in Asia. Beginning in the second quarter, we will publish a summary report plus separate analyses for:

- Hong Kong
- India
- Indonesia
- Japan
- Singapore
- South Korea
- Taiwan
- Thailand
