

During the
COVID-19 Crisis,
we're offering these
solutions free
of charge.

When Your LIVING SPACE Becomes Your OFFICE SPACE

We get it. One day you're battling your morning commute, then suddenly you are thrown into virtual working. It can seem overwhelming and daunting, but it doesn't have to be. Let us help you and your employees gain the confidence needed to put your mind at ease and succeed. We have two complimentary solutions designed to help companies develop potential and existing employees into productive and highly motivated remote workers as long as this crisis lasts.

Virtual Worker Assessment

An online assessment that helps you determine which employees have the skills needed to perform well in a virtual environment and which employees may need extra help.

Takes 15-20 minutes to complete the assessment.
Results are made immediately available.

Act now through June 30, 2020!

Virtual Worker Survivor Skills Course

A 6-module online course designed to boost the productivity of your virtual workforce while retaining this in-demand talent and improving morale and motivation.

Focuses challenges of working remotely, importance of becoming organized, building trusted remote relationships and more.

Each modules takes 15-30 minutes to complete.

You can learn more about these solutions by contacting membersolutions@loma.org
